Welcome back to Term 4. A special welcome to Miss Chloe Hind who is teaching in Room 17 on Thursdays this term while Ms Bennett is on leave.

9 October School Development Day
All staff attended professional learning on Peer Observation and Feedback at our recent School Development Day. Observation and feedback have been promoted by the Department of Education in recent years as they are proven to have a positive impact on student outcomes. All of our staff will be trialling peer observation and feedback this term. They will be actively analysing and reflecting on their own practice and receiving feedback from their colleagues.

Students Arriving Late
If your child arrives late at school, parents must attend the office to complete a Late Slip for them. Please do not send your child to the office on their own. Your support in keeping late arrivals to a minimum would be appreciated. Entering a classroom once the day has begun can be distressing for children and regular lateness will affect their achievement. Having students arriving late is also detrimental for the teacher and other students as it interrupts the teaching and learning program.

Recurring Appointments
Children should not be attending recurring appointments during school time. If you appreciate that making appointments outside of school hours isn’t always possible, but if you are considering recurring appointments during school time, please make an appointment to discuss this with me.

2018
Planning and preparations for 2018 are already well underway. Please check your child’s school bag for their 2018 Personal Items Lists and Contributions and Charges as they were sent home today. If you know your child/ren will not be returning to our school, can you please advise the office ASAP. Having accurate student numbers allows us to plan effectively.

2018 Class Placements
Should you wish to submit a request about your child’s placement based on their educational or social/emotional needs, please email them to me (rochelle.williamson@education.wa.edu.au) by Monday 20 November. Please do not send requests for particular teachers as they will be respectfully ignored.

School Board
The Board’s next meeting is being held on Monday 13 November. The agenda for this meeting will include our 2017 NAPLAN data, the 2018 draft budget and discussion about the ‘Our School, Our Say’ Forum.

Dress Code
Many students have been wearing colourful jumpers and jackets to school which do not comply with our Dress Code. Please ensure your child/ren only wear school jumpers to school. Jumpers are available from Willetton Fabrics and Uniforms located at Unit 2, Rear 185 High Road Willetton or from the second hand uniform shop run by our P&C which is open on assembly mornings.

Locking bikes
Please remember to provide your child with a lock to secure their bike to the bike racks so it is safe throughout the school day.

Sick Children
While school attendance is very important, please do not send your child/ren to school when they are unwell. They will recover a lot quicker at home and will be less likely to make others at school sick if they stay at home and rest.

Congratulations!
I would like to offer congratulations to Miss Thomas on her retirement. Heather has had a remarkable 40 year career in a number of schools including 18 years at our school! On behalf of all the children she has positively impacted on, I would like to sincerely thank her and wish her all the very best.

Rochelle Williamson
Principal

Upcoming Events:
- 31 Oct. - Yr 3 Parent Information Session on Ipads, 5 to 6 pm
- 2 Nov. - Rm 18 Assembly
- 3 Nov. - P&C Disco
- 7 Nov. - Interschool Athletics
- 9 Nov. - Interschool Athletics
- 13 Nov. - School Board Meeting
- 16 Nov. - Rm 24 Assembly
PEAC (Primary Extension and Challenge) - 2018
The South Metropolitan Education Region Office have advised us which of our Year 4 students are eligible to nominate for PEAC based on the results of the testing they completed in August. Parents of these students received their notes earlier this week. Please contact Mrs Ashby with any queries.

Merit Certificates
Congratulations to the following students who were awarded with Merit Certificates at our recent assembly. Keep up the great work!

Holidays During the School Term
I would like to remind parents that absences for holidays during term time are strongly discouraged as they are likely to have a detrimental effect on your child/ren’s achievement and progress.

This is particularly pertinent as we come to the end of the year. All students are expected to attend school until Thursday 14th December and return to school for 2018 on 31st January.

If a holiday during the school term is unavoidable, please email me or send a written letter via your class teacher to advise of the dates your child will be away. In most circumstances, your child’s absences will be recorded as unauthorised absences.

Already this year a total of 571 and a half days have been recorded as unauthorised absences for students on holidays.

Please remember ‘every day counts’. Missing 20 days of school each year equates to one year of school missed by the end of Year 9.

Mrs Ashby

School Photos
Following our recent school photography by Kapture, you can now view and order any special photos taken on the day. When visiting www.kapture.com.au/event.asp you will need to enter our school code under the Sports & Event tab to access the gallery; Code GAC8MY. Please contact Kapture with any queries.

What's been happening in Physical Education?

At the end of last term we had AFL coaches from the WA Football Commission visit to teach our Year 1 and 2 students the fundamentals of kicking, marking and handballing. Many of our students took home postcards of their favourite AFL team and lucky Mara and Cade from Room 15 took home an AFL football for their efforts in the Long Bomb competition.

Students in Room 20 and Room 22 received some expert coaching from two Volleyball WA accredited coaches, Gemma and Justine. They learnt the basic skills of the serve, dig, set and spike. We then finished off with some very competitive games. Lots of fun was had by all. This opportunity was made possible by our Sporting Schools funding.

Interschool Athletics Carnival - 7th and 9th November

This term many students are training for the Interschool Athletics Carnival. The 400m, 800m, throws, long jump and triple jump events will be held on Tuesday while the 200m, age races (100m), passball/handball, leaderball and relay events will be held on Thursday. Participating children will bring home a permission slip with information and an event schedule shortly. A list of students competing and the days they are competing has been displayed on the notice board close to the library. A training schedule has been devised to help students prepare for their exciting day.

Please note: before school trainings will be held for long jump, triple jump, Year 3 and 4 throws and Year 3 & 4 400m runners. Please ask your child to let me know if they are unable to make the below Training times.

- Tuesday 31st October, 8.10 am - Year 3 and 4 long jump
- Thursday 2nd November, 8 am - Year 5 & 6 long jump and triple jump
- Friday 3rd November, 8.10 am - Year 3 & 4 throwers AND Year 3 & 4 400m runners

Please see me with any questions.

Mrs Goodacre

Languages - Chinese Update

At the end of Term 3, our school participated in the State Speaking Competition (for non-Chinese speaking background students) and the Writing Competition (for all students) organised by the Chinese Language Teachers’ Association of WA. Congratulations to the following students on their achievements.

Speaking Competition (Year 5 and Year 6 Category)

Participation: Sophia (Room 23)
Participation: Hannah (Room 25)
3rd Place: Nethuli (Room 21)
4th Place: Vuyisile (Room 26)

Writing Competition (various categories)

Excellence Award: Senuthi (Room 21)
4th Place: Sophia (Room 23)
2nd Place: Sidney (Room 25)
1st Place: Nethuli (Room 21)
1st Place: Ruphie (Room 22)
1st Place: Lucy (Room 26)
IMSS (Instrumental Music School Services) Concert
Thank you to everyone involved in the SIM Concert held on Monday 18 September. This event was enjoyed by everyone who attended and our musicians enjoyed playing for such an appreciative audience.

Pre-primary Playground Improvements
Our Pre-primary children are enjoying using their new mud kitchen and thong-o-phone. Sincere thanks to the P&C for purchasing the mud kitchen and to Mr Critchley for creating the thong-o-phone.

Gifted and Talented Information Evening
Rossmoyne Senior High School is holding a Gifted and Talented Information Evening in their Performing and Visual Arts Centre on Monday 6th November at 6:00-7:00pm. This is for parents and students interested in Gifted and Talented Programs in any of the 18 schools delivering Gifted & Talented Programs for entry in 2019. Department of Education Gifted & Talented Selection Unit personnel will provide all the information and there will be the opportunity to ask questions. Please RSVP to Rossmoyne Senior High School on 9259 2100.

Secondary School Scholarships for 2018 - Now Open for Applications
Eligibility criteria and information on how to apply can be found at: http://www.education.wa.edu.au/home/detcms/navigation/education/secondary-school/additional-learning-opportunities/scholarships/ An online submission process is used for lodging most applications. Instructions are available on the website. Applications close at 5.30pm Thursday 9 December 2017. For further information, email the scholarship coordinators at PathwaysandTransitions.Scholarships@education.wa.edu.au or call 94026304 or 6206 2010.

Parents and Citizens’ Association

Update on the Vodafone/Optus Proposed Mobile Base Station
Since 2015 the Rossmoyne Primary School P&C have campaigned against a proposal by Vodafone and Optus to install mobile phone base station facilities at the Rossmoyne Bowling Club. We are concerned about exposure to EME and the possible health effects on children attending Rossmoyne Community Kindergarten and Rossmoyne Primary School.

In November last year, we received the following update from Vodafone:
‘We confirm Vodafone (and Optus) has formally withdrawn interest from the proposal at Rossmoyne Bowls Club at this time. We note community consultation was never formally commenced, however, should consultation ever be undertaken within the Rossmoyne area your petition and submission will be given due consideration at that time.’

We would like to thank our community for this outcome: the parents and residents who signed our petitions and took the time to talk with us, and the businesses/organisations who supported us. Thanks also to Canning Council for their assistance with our petition and enquiries and especially to the Deputy Mayor, Cr Lindsay Holland, for his support.
Enrol your children now in VacSwim swimming lessons during the summer school holidays. With swimming pools and beaches a part of the Western Australian lifestyle, ensuring your children learn how to swim and are safe in the water is a must for all families.

Your children can join in the fun of learning to swim in lessons run at pools and open water venues across the State. VacSwim is for all children – from beginners through to advanced survival, rescue and resuscitation.

Your children can learn to swim for just:
$7.00 per child for a five day short program
$13.00 per child for all other programs.

It's even cheaper if you have three or more children:
$18.00 a family for a five day short program
$35.00 a family for all other programs.

To find out more about VacSwim and to enrol online please visit education.wa.edu.au/swimming
Building resilience

Resilience is the ability to cope with difficult situations and ‘bounce back’ when things go wrong. Young people need to develop resilience in order to navigate life’s ups and down. As a parent, you can help your child to become resilient by giving him or her opportunities to learn and practise new skills, for example:

- allow your child to solve some of their own problems. Learning to deal with issues builds skill and confidence. Don’t jump in to fix things, unless the situation has got out of hand.
- arrange a fun, child-friendly activity each week like a trip to the park, play date with a friend or watching a favourite movie. Regular ‘ups’ provide a bank of positive emotions to buffer against life’s ‘downs’ that may involve disappointment or conflict.
- help your kids to think positively. If your child is frustrated by a difficult maths problem, say, "I know that question was hard today, but yesterday I saw you solve a hard problem. You kept trying until you worked it out."
- if you have a disagreement with your child, the most important thing to do is to reconnect and repair the relationship. Let your child cool down then offer a hug or words of support. This has benefits for your child’s mental health as well as their ability to deal with relationship problems throughout their life.

For more information about raising a resilient child, go to www.kidsmatter.edu.au or http://raisingchildren.net.au or contact your local Community Health Nurse on 9258 8053.

Building your child’s self esteem

Good self-esteem helps children and young people to try new things, take healthy risks and solve problems. Positive self-esteem provides children with a solid foundation for their learning and development and enables them to feel good about themselves. Parents can help build the self-esteem of their children by frequently doing the following with them:

- say “I love you”
- develop and maintain special daily rituals
- let your children help you
- let your child make mistakes and solve some of their own problems
- praise children for trying
- show an interest in the sports or hobbies they are interested in
- eat meals as a family
- seek out one-on-one opportunities often
- praise desirable behaviour (praise should be genuine and specific)
- correct negative behaviour firmly but lovingly
- respect their choices
- celebrate your child’s successes - big and small
- make your children a priority in your life

For Families With Children Entering Year 7 in 2019

GIFTED AND TALENTED SECONDARY SELECTIVE ENTRANCE PROGRAMS

Children with exceptional academic ability and creative talent thrive in our Gifted and Talented Programs. These unique academic, arts and languages programs provide a challenging curriculum designed to bring out the very best in your child.

Available at 18 select public secondary schools, including a fully-selective academic school and an arts college, your child will learn alongside like-minded peers and will be taught by teachers with expert skills and knowledge.

If your child is going into Year 6 in 2018, applications are now open for entry into Year 7 in 2019. Limited places may also be available for children going into Years 9, 10 and 11 in 2019.

You can apply for these programs no matter where you live in Western Australia and, if selected, your child is guaranteed a place at the school.

Applications close
Sunday 11 February 2018

Healthy Eating
Mediterranean Wraps

We are continuing to promote healthy eating at OSHClub but also encouraging the children to make the right choices. What better way to do this than letting them create their own healthy wraps. We created a buffet of vegetable that included; tomatoes, mushrooms, capsicum, lettuce, carrots, celery, cucumber, cheese and ham. We also had some dips and sauce. The children then got their wrap (or rice cake) and selected their choice of filling and made their own afternoon tea. They loved it. See some of the great creations below.

Service Update

What a start to Term 4! We just loved hearing all the great holiday stories from the children, whether it was going on holidays or at a holiday service they all seemed to have so much fun.

We have been planning some great visits for this term. Both visits will be in the afternoon sessions from around 3:15-5pm. If your child is interested get them booked. On Monday 13th November we have a visit from the Water Corporation of WA to help OSHClub become more water efficient. Then on Tuesday 21st November we have RAC coming to talk with us about ‘Learning the Roads’. We know the children will learn loads from both visit.

The service is always keen to get your input and feedback so please let us know if there is anything we can do to improve the service or if you have thoughts and ideas on activities and afternoon snacks.

Thank you!

Service highlights

Some great highlights to share.

➤ Promoting healthy eating within OSHClub and trying new things has been a great success. We even made delicious rainbow sushi.
➤ The children are working well towards the values and virtues – this month focusing on self discipline.
➤ We have a Halloween competition this year which a lot of the children have got involved with.
➤ A great improvement in our life skills, being more responsible and respectful.
➤ Making new members of OSH feel welcome – our children are so thoughtful.

Children’s Reflections

Amity and Arianne - Year 2
We love cooking at OSHClub and we are excited about making vegetable brownies and fruit ice cream with Lucinda.

Keerthana - Year 4
I like how at OSHClub we are encouraged to help others and we get to meet new people from other year groups.

Yardley and Vivian - Kindy
We like playing in the kitchen and we like playing with the older children.

What’s on in October and November

Halloween Week – we are getting into the spooky, scary spirit and completing lots of activities in preparation for Halloween. We have also started our very own competition, ask the educators and get involved!

Community Links – Visits from the Water Corporation and RAC. Get your child booked in to be involved.

Service phone number: 0478 182 380
Coordinator: Roisin Devine
Educators: Lucinda Spence

Opening Times:
BSC Monday-Friday: 7-9am
ASC Monday: 2:00-6pm
Tuesday – Friday 2:30-6pm
