Virtue of the Month for April—Tolerance

PRINCIPAL'S MESSAGE

Interschool Swimming Success!
Congratulations to all our students who represented our school at the Interschool Swimming Carnival and contributed to our school being announced Champion School!

Thank you for your efforts and sportsmanship. Well done to Mr Bycroft for his exceptional organisation of this event.

Harmony Day
Special thanks to everyone who joined in our Harmony Day celebrations on 22 March. It’s so wonderful to see the school community celebrating special events together.

School Board Meeting
The next meeting of the School Board will be held on Monday 21 May at 7.30 pm. Agenda items will include the 2017 Annual Report, the 2018 to 2020 Business Plan and reviews of the ‘Complaints Management’ and the ‘Drug and Resilience Education’ Policies. These policies are available for you to view on our school website. Please forward any feedback to a Parent Representative prior to the meeting.

Your School Board Parent Representatives are George Atartis, John Coombe, Jessica Nailer, Kasia Deery, Leia Hunt and Patrick Chen.

Proposed Parking Changes
The City of Canning has recently proposed changes to the parking prohibitions on Melrose and Janet Streets. These proposals follow requests to address the road safety issues in these streets during the school morning and afternoon peak times. They are designed to ensure the approach to intersections is clear and the visibility of pedestrians is improved. If you would like more information, a copy of the letter explaining the changes is available for viewing at the front office. The proposals are currently being considered by the Traffic Control Sub-committee formed at the last P&C meeting. The details of the City Traffic Engineer responsible for the proposals are also available from the office if you would like to submit comments.

Interim Reports
More consistent communication between home and school was identified as a possible improvement area at last year’s ‘Our School, Our Say’ Forum. In response to this feedback, we have introduced Connect and we will also be sending out Interim Reports for the first time on Monday afternoon. These reports are designed to give you a ‘snapshot’ of how your child is performing before they receive their Semester 1 Report at the end of next term. Please don’t hesitate to arrange an appointment with your child’s teacher if you wish to discuss their report or progress.

Daily Fitness
Thank you to Mr Bycroft and the Year 1, 2, 3 and 4 teachers who have commenced Daily Fitness at the start of the school day on Mondays, Wednesdays and Fridays. This was suggested by the school community at the ‘Our School, Our Say’ forum held late last year. Our Year 5 and 6 students aren’t participating in these Daily Fitness sessions as they already participate in extra sport on Friday afternoons.

P&C AGM
The P&C AGM will be held on Monday 14 May at 7.30 pm in the library. All positions will be declared vacant. A general P&C meeting will follow the AGM. Please consider coming along. The more parent support and members we have, the more events and resources we can provide for your children.

ANZAC Service
Our school’s ANZAC Service will be held on Friday 13 April commencing at 8.45 am in our undercover area. I hope you are able to join us.

Happy Holidays
Thank you to everyone for your support of your children and our school throughout this term. I hope you enjoy safe and relaxing holidays. Some of the special events happening throughout next term include NAPLAN, Edudance, Singfest, a range of excursions and interschool sporting events for our older students.

Rochelle Williamson
Principal

School Board Update - Leonie Morrell (Staff Representative, Rossmoyne Primary School Board)

On the 26 March, the Board of the Rossmoyne Primary School met for their first meeting of the 2018 school year. At this meeting the Board’s Chairperson, Mr George Atartis, welcomed all members to the meeting, especially the new parent representatives. It was a meeting with a long agenda, however many items were enthusiastically discussed, with interesting input from all representatives. There was significant discussion around the school’s 2018 to 2020 Business Plan with emphasis on the Vision and Purpose statements. Ms Rochelle Williamson, Principal, presented a synopsis on the work that had gone into arriving at the Vision and Purpose Statements which were presented to the Board. After considerable discussion and debate the Board “fine-tuned” the statements that were presented and voted unanimously to endorse them. It was also agreed that we would introduce four school values. The priority areas for our school’s Business Plan were also presented to the Board by Ms Rochelle Williamson. It was noted that there would be four priority areas - ‘Excellence in Teaching’, ‘Successful Students’, ‘Health and Well-being’ and ‘A Connected Community’. Measurable targets are being developed for each of these areas and the Board reviewed the targets already developed.

The Business Plan is still in a developmental stage and further work will be undertaken before it is finalised and presented to staff and the School Board for endorsement before eventual publication and sharing with the school community. Ms Williamson informed the meeting that feedback from staff, the Board and from the community gathered at last year’s ‘Our School, Our Say’ forum contributed significantly to the decisions about our priority areas for our Business Plan and to the review of our school Vision and Purpose statements. Other items of interest included the 2018 Preliminary Budget, the policy review schedule and discussions about how the Board will engage with the community throughout this year. The meeting concluded at 9:15 pm.

Our New School Vision and Purpose Statements

Last year, both staff and the School Board identified that our school’s Vision and Purpose statements needed reviewing. Thanks to all staff and the School Board Sub-committee who have applied considerable time, effort and thought to this task over many months. They reflected on the existing statements and considered the feedback received at the ‘Our School, Our Say’ forum held last year before developing our new statements.

As Leonie has mentioned above, the School Board recently endorsed our revised school Vision and Purpose Statements after considerable discussion and some ‘tweaks’.

It was with great pleasure that I present our revised school vision and purpose statements to you.

Our School Vision

Together we empower global citizens.

Our School Purpose

To inspire lifelong learners who strive for personal excellence and community engagement.

During the extensive review of our Vision and Purpose Statements, it was noted that many of the desired qualities and values mentioned by the school community at the ‘Our School, Our Say’ Forum were not captured. Consequently, it was decided to introduce four school values. As you can see below, ‘kid-friendly’ definitions were also developed for each of the values.

Our School Values

Integrity

....doing the right thing even when no-one is watching.

Respect

....caring for self, others, the community and our environment.

Courage

....facing challenges, showing resilience and doing our personal best.

Belonging

....being an active and valued member of our communities.
### Merit Certificates

Congratulations to the following students who were awarded with Merit Certificates at our recent assembly. Keep up the great work!

Thanks!
Sincere thanks to everyone who has helped us collect Coles Sports for Schools Vouchers. So far we have collected over 24 500! This is way above Mr Bycroft’s initial goal of 7000 vouchers! If you have any more at home, please send them in as we are collecting vouchers until the last day of term. We’ll be sure to let you know what resources we receive through the program in a future newsletter. Thanks again for your support.
Ten students from Rossmoyne Primary School were selected to represent our school at the 2018 GRIP Leadership Conference. The leaders that were chosen were Chloe, Senuthi, Nethuli, Sophia, Enn Enn, Oisin, David, Israel, Sasank and myself. We were accompanied by Mrs Marshall and Sophia’s dad, Mr Atartis. The whole day was a blast and everyone had a great time.

When we arrived at the Convention Centre, most of us were amazed at how big it was. Once seated, we all did the pre-conference activities in the booklets they gave us. Before long, it was 9.15 am and also time for the conference to start. Our first activity was ‘Leaders are Transformers’. At first we just had a competition but in the second round we used strategies. I found it interesting how our actions and strategies changed between the first and second games.

Then we played a game called ‘Monopolead’. We had to ask 8 different people 8 different questions but I only managed 3 people. We did all of that with Ronan. Next we learnt about 4 things that transform people into leaders - attitude, words, actions and care. We then completed some reflection questions. We did all of that with Emily.

The next bit was a little unexpected. It was an activity called ‘Loud Noises’ and we completed it at the end of each section throughout the day. It was really fun. We always did Loud Noises with Andy and Michael. It was then time for recess and all the kids got extremely jealous of the teachers because they got free cupcakes.

Soon we were back and ready for the next part of the day. The title for the next session, ‘Lead like a Strawberry not like a Watermelon’ was a little weird but soon I understood it. It meant that you should be the same on the inside as you are on the outside, like a strawberry, but not like a watermelon because watermelons are different on the inside than the outside. Next we did an amusing activity called ‘Berry Good Integrity’ with Moraine. This was one of my favourite ones because it involved a role play which was hilarious. There were 5 people in the role play including Basil (the gardener), Rosemary, Potato and Goud (student leaders) and Emily (the person who paused the play).

Then there was another Loud Noise segment and luckily I got chosen to participate. I had to go up the front and dance which was really entertaining. Following that, came a session called ‘Ideas that Transform’. This focused on how we can help other students, how we can transform empty parts of our school into areas that we can use and how we can transform things in our community. Soon after it was lunchtime. After lunch, we got to go to the resources area to buy things. I bought 3 badges for $5.

Afterwards, we completed the ‘Contributing to Positive Change’ session. We learnt that we have to make changes that everyone agrees to and is practical, not like building a theme park in 50 square metres of the school. The last activity was called ‘Leadership is like a’. We had to complete sentences by adding appropriate words. For example, ‘leadership is like a map, because it is everywhere in the world’.

Then it was the big one - they saved the best for the last Loud Noise activity. It was amazing because we got to do lots of things in it. At the same time it was annoying because it involved a game where you had to find the oldest coin. Most of the ones they found were new. The oldest one they found was from 1984, but I had a 1978 coin.

Throughout the day, I learnt lots of information about how to be a better leader and how to make other people better leaders. I can’t wait to share my expanded knowledge with my peers.

Thanks Mrs Marshall and Mr Atartis!
Our River Rangers went fishing with volunteers from Rec Fish West at the Shelley foreshore on Wednesday afternoon. This was the first time many of the students had experienced fishing but they all had a great time. A couple of children even said they were going to add a fishing rod to their Christmas wish lists! Our students also learnt about how to fish safely, how to handle fish, how to care for the environment and how to stay sun safe.

Next week they are going on a bike ride to Deep Water Point.

Thank you to our staff who support our River Rangers Program - Mr Wilson, Mrs Valentine, Mrs Stringer and Ms Akhurst, Without them, our students would not be able to participate in this awesome program.

Healthy Eating

**Lemon Tart Cakes**

This recipe was suggested by Jaylene from Year 5 and we finally got around to making it. This baking activity was super fun and easy and the OSH Club children loved making, baking and eating the cakes. They each got to make their own individual cake and decorated it how they liked. We have also been trying to expand on our cooking equipment and utensils so that each child or small group can have their own mixture.

**Ingredients**

- Pastry
  - 75g butter
  - 125g plain flour
- Lemon Filling
  - 3 eggs
  - 200g caster sugar
  - 4 tablespoons lemon juice
  - 3 tablespoons plain flour

Service Update

What a great Term 1 we have had. We have been so busy in the mornings and the afternoons. We would like to thank our parents for booking in advance as it makes planning for sessions a lot easier.

We have had lots of fun themes and weeks during March including Easter and Harmony Day. During Harmony Week we completed lots of different and diverse activities. Check out our Reflection Journal at the Sign In Desk for photos and information. The children really responded well and showed great respect for diversity.

Easter week was exciting and the children completed lots of art and craft activities. We also got to make our own chocolate Easter nests!

We have been working hard to be more involved with community donations so please don’t forget to donate any old batteries, clothes or shoes and of course any household rubbish as we love to recycle. Thank you for your support!

Service Highlights

Some of our great highlights include:

- Raising money for Project Compassion. We raised $20 which will help a child continue with their education!
- We welcomed our NEW Regional Manager, Kelly. Kelly has loved visiting our service and has been very impressed with our work.
- Have you noticed a difference in our room? We have more space!
- We held another successful Student Free Day and there is news of another neighboring service opening for the holiday program.

Children’s Reflections

I love to play outside at OSHClub because we play fun games like Octopus, Poison and Pacman.

Isaac, Year 3

I like to colour in the puppy pictures an OSHClub.

Chloe, Year 3

I like playing with my friends and having fun. I like when we did origami for Harmony Day.

Karissa, Year 2

What’s on in April?

* The Commonwealth Games have begun!

* End of Term 1 — have you planned ahead for holiday programs? Ask Roisin for service brochures.

* Cooking/Baking Sessions — salad wraps for afternoon tea and blueberry cheesecake.

School Holiday Program
23–27 April 2018

School Holiday Chinese Cultural Activities for Children

bracelet making • fan painting • kite making • Tai Chi cartoons • lantern painting • paper cutting • movies

Creative, affordable, interesting and educational activities for primary school children aged 8–12 years during the school holidays.

Join us for a week of hands on holiday fun this school holidays. Sign up for a morning, a full day or the entire week – every day will be different.

Each morning children can take part in a different Chinese cultural activity – see the schedule on the back of this flyer.

In the afternoons children will enjoy time outdoors playing Chinese games, learning Tai Chi, and burning off some energy on the lawn in front of our building.

Towards the end of each day children can wind down by watching a Chinese film or cartoon and then learn a few words of Chinese while talking together about the show.

Our staff all have professional teaching expertise, special artistic skills and official Working With Children Check certification.
