

## ROSSMOYNE PRIMARY SCHOOL 2019 CONTRIBUTIONS AND CHARGES

### Voluntary Contributions

These contributions are used to supplement the funding our school receives from the government. They are used to maintain and improve the resources available to your child/ren. The funds are used in a variety of curriculum areas including English, Mathematics, Humanities and Social Sciences, Science and Technologies, Health and Physical Education and the Arts.

The \$60 Voluntary Contribution equates to just \$1.50 per week. A 25% discount is available to holders of a current Centrelink Health Care Card on presentation.

### P&C Voluntary Contribution

Our school's Parents and Citizen's (P&C) Association asks all parents to pay a contribution so that there is no need to engage in major fundraising events throughout the year. Contributing to the P&C directly benefits your children. Improvements and projects such as upgrading our library and playgrounds would not be possible without the support of our P&C. The school forwards donations to the P&C as they are collected. In 2019 the amounts are at \$40 per child. Our P&C also arranges and coordinates events such as discos and Family Fun Days and initiatives such as Book Club, Book Fair and the Second-hand Uniform Shop.

### Compulsory Charges

The charges are based on the year level of your child. The amounts listed in the table below represent the maximum that will be charged in 2019. We invoice this as an annual amount, which does away with intermittent requests for small amounts of money and the collection of money by teachers. Any credit from the previous year is carried over and will reduce the charges you are invoiced for. Records of a child's attendance and associated costs for events are available for parents to view at any time. A child's participation is conditional on payment being made. Also if the school diary is lost, an additional fee (\$7.50 or \$8.50) will be charged for a replacement.

### Personal Items List

Attached is a list of the personal items that each child is required to bring to school at the beginning of 2019. *Ziggies Educational Supplies in Bannister Rd Canning Vale* continues to be our preferred supplier. In lieu of the school receiving a rebate, Ziggies discounts the costs of items for parents. The average cost is \$92.55 per student (max \$115.70). Year 4 & 5 students are also expected to supply an Apple Ipad (minimum specification requirements apply), while year 6 students will continue to use MacBooks in 2019. School Uniforms are compulsory items for all students. They can only be purchased from *Willetton Uniforms in High Rd Willetton* or from the Second Hand Uniform Shop run by the P&C Association.

### Other Charges

These charges relate to optional opportunities and events available to all or selected students. A student's participation is conditional on payment being made. Charges may be incurred for events including:

- PEAC for Year 5 and 6 students, if selected, will be no more than \$300 for the year. (Costs depend on courses selected which range from \$15 to \$110).
- Instrumental music for Year 3 to 6 students, if selected, will be a minimum of \$10 for sheet music, or a maximum of \$120 for instrument hire and sheet music for the year.
- Cost to replace lost library books (borrowing cannot continue until replacement cost (deemed by Librarian) is paid).
- School photos
- Book Club and Book Fair

**Invoices for each child attending Rossmoyne Primary School will be sent home in February 2019.**  
**EFTPOS facilities and electronic bank transfer will be available. No payment until February 2019.**
