

School Dress Code

Rossmoyne Primary School chooses to have a Dress Code, which is based on a uniform in school colours, because we believe that:

- a uniform establishes a sense of pride, belonging, purpose and identity among students;
- a uniform is non-discriminatory and does not distinguish between students from different socio economic backgrounds;
- a school uniform is exactly that – designed for school where the core purpose is learning;
- a uniform is an investment for parents which reduces the expense of other clothes that parents may have to purchase;
- uniforms stop the daily dilemma of a student trying to decide what's cool to wear to school and turning classrooms into a fashion competition;
- a uniform presents a unified image to the public and can be easily identifiable in the community;
- a uniform can make a statement in the community and create a perception of a sense of order and discipline in the school environment, and
- a uniform makes it easy for duty teachers to see if any unwelcome visitors are in the school environment.

Uniforms can be purchased through Willetton Uniforms - 2/185 High Rd (access via Roxby Lane) Willetton, 9457 7330, <https://www.willettonuniforms.com.au/>

Students are expected to wear the Rossmoyne Primary School uniform at all times unless granted an exemption. Such exemptions will be granted on health and religious grounds after negotiation with the principal.

Students not complying with the school dress code will be asked for an explanation and afforded the opportunity to comply. Parents will be contacted, to seek support for the school dress code. Students not in uniform who are attending excursions will be asked to wear a clean uniform provided by the school for the occasion. School representation in non-essential activities may be withdrawn for students not complying with the school dress code.

A copy of this Dress Code will be provided to parents on enrolment. It will also be communicated to parents through the school information booklet and reminders in the school newsletter and/or through Connect. Acceptance of enrolment at Rossmoyne assumes agreement that the enrolling student will comply with the dress code unless exemption has been granted.
