

		<p>Hopefully, Building Maintenance and Works will replace the carpet but this is unlikely which will require approximately \$20,000 further in funds.</p> <p>An ICT committee has been established and it is hoped the Hub will have dedicated iPads and some Macbooks which would require replacing approximately every 4 years or so. There is potential to introduce wireless keyboards for the iPads to assist in skill building. Technology is embedded throughout all learning areas so the Hub is to improve existing learning experiences rather than be used on a structured timetable.</p> <p><i>3.2 Walking School Bus</i> Rochelle Williamson via Lisa Flynn promoted this at the recent Edudance concert but there were no further offers of assistance. It may need to be revisited in 2017.</p> <p><i>3.3 School Banking Update</i> Debbie Flegg has offered to be the Parent Representative/Contact Liaison for this initiative. Bendigo Bank is the preference as they will provide a teller once/week or fortnight.</p> <p><i>3.4 Orchestra / Choir Uniform</i> Rochelle Williamson confirmed with Greg Wilson that the P&C funded the sports uniform (polo). Wendie Oliver suggested students wear own white shirt and black pants with a vest. The P&C is interested in a polo design.</p> <p><i>The P&C gives in principle support to fund the polo shirts up to \$2,500, dependant on quotes received.</i></p> <p><i>3.5 School Watch (misbehaviour or high school students)</i> Rochelle Williamson made contact with RSHS who ensured Heads of Department disseminated the knowledge of misbehaviour through the year levels to the whole cohort. Further, Department Security was requested to make extra patrols, in particular on Saturday nights</p>	<p>Rochelle Williamson to look into using Murdoch University Volunteers program and/or RSHS community program.</p> <p>Rochelle Williamson to meet with Debbie Flegg, Kate and Bendigo Bank.</p> <p>Rochelle Williamson to get quotes from multiple suppliers.</p>

5	Office Bearers Reports 5.1 President	The President had nothing to report/add this meeting.	
	5.2 Treasurer	<p>Over the course of the year, our expenses stripped our income by \$14,371.19. However, we were able to contribute a meaningful \$23,000 to the soft fall playground surface and the new assembly area AV system.</p> <p>I am in the process of preparing the files for end of year audit and intend to use John Osborne and Assoc as we did last year. This will cost around \$275. Happy to take any comment. Otherwise, I'll assume agreement and proceed on this basis.</p> <p>\$29,711 in the bank at present and all the books balanced.</p> <p>The school appears to have made a deposit of \$1221.35 on 22 June 2016 but I haven't been advised what this was for. Can the meeting provide clarification to me please as we will now need to look at getting the audits done.</p>	It is believed this deposit is funds collected from the Election Day Cake Stall.

		<p>Moving forward, can I request that the Treasurer is advised of any deposits made by the school into the P&C account so we're all on the same page?</p> <p><i>The P&C agreed to accept the quoted fee for the audit, and to have it conducted by John Osborne and Assoc.</i></p>	Rochelle Williamson will ensure the Treasurer is notified of all future deposits.
5.3 Principal	<p>Firstly, thank you to Sarah Haddow and crew for the cake stall and olive oil sales on Election Day.</p> <p>Term three has enjoyed a smooth start to a busy term; with upcoming events, such as cross-country, the book fair and book week, faction carnival and in-term swimming.</p> <p>Please note the school photo dates have changed to ensure pictures are available for use in the Year 6 yearbook – it is now 24th and 25th August 2016.</p> <p>The recent Professional Learning Day focussed on technology and the WA Technology Curriculum to familiarise with the Year 4-6 MacBook work and the K-Year 3 iPad work.</p> <p>Planning for 2017 is underway with enrolments for Kindergarten and Pre-Primary now closed, and staffing requirements being assessed.</p> <p>The National School Opinion Survey is coming up – this can be completed online or by hard copy, and translations are available. The respondents include staff (non teaching and teaching), students from Years 5 – 6 and all parents. It is imperative to receive a huge response for data to be valid so please complete the survey. The summary of the best and worst performing results will be published in the school newsletter, and full results will be available via the My Schools website and in the school's 2016 Annual Report.</p>		
5.4 Events	<p>5.4.1 Rossmoyne/Shelley combined parent event</p> <p>Due to interest but no capacity this idea has been shelved.</p> <p>5.4.2 Multicultural Day/Food Festival for United Nations Day</p> <p>The scheduled date is Sunday, 23 October 2016 at 2.30-5.30pm in the undercover area. A leaflet will be designed and circulated once approval has been received from Rochelle Williamson. The ingredients for items should be displayed, and the funds raised will be allocated to the Digital Hub development. School community</p>		Sarah Haddow to provide a leaflet for the approval of Rochelle Williamson.

		<p>members are welcome to set up a stall and/or purchase food.</p> <p>5.4.3 Election Day Stall Report</p> <p>The cake stall and olive oil sales totalled \$1,222.40. Thank you to Vilma Velletri as her olive oil bottles (\$10 each) sold so well. The only real issue was the lack of toileting facilities for the public, as the Polling Station organisers did not allow the use of the school's toilet blocks.</p>	
6	WACSSO	<p>Unfortunately, we did not have a representative attend the last meeting at Leeming SHS on 28 June at 7pm – thus nothing to report.</p>	<p>Secretary to determine the date for the next scheduled meeting and advise the WACSSO representatives.</p>
7	Mobile Phone Tower Subcommittee	<p>Vodafone met with Council this afternoon to commit to the Bowling Club location although a formal submission has yet to be offered. There is potential the structure may be a 20m monopole. Still need to understand what the emissions would be in comparison to background levels, and the potential for the emissions to be increased over time.</p> <p><i>P&C in agreement that, should an emergency meeting be required, Vilma Velletri can call an extraordinary meeting, or call the Executive members.</i></p>	
8	Other Business:	<p><i>P&C Levy Determination</i></p> <p>Current voluntary payment is \$40/child, \$60/2 x children, \$80/3 x children and these rates have been unchanged since 2003.</p> <p><i>P&C in agreement to leave the rates as is for 2017.</i></p>	<p>Secretary make note to revisit for 2018.</p>
9	Close of Meeting at 9.07pm	<p>Next meeting: Monday, 5th September 2016 at 7.30pm</p>	

Signed as a True and Accurate Record of the Meeting:

John Coombe, President
